Ryan and Molly Nielsen have served as the North Heights Lutheran Church career missionaries since 2004. The Nielsen's are involved a strategic assignment with Living Hope International. I have seen first hand the work that Ryan has overseen at the new property of Living Hope Children's Home in Puebla, Mexico. What a delight to be at the recent dedication of their new campus. Phase 1 is completed but there is yet much to do and Ryan has the calling, background and experience to oversee the ongoing development of the property.

Ryan and Molly's call to serve is strong. Ryan has said, 'this is what I was created to do'. He serves in a very vital role that allows him to use his gifts and talents to advance God's kingdom and rescue children off the streets of Mexico. Molly not only loves and cares for her own children but seeks to love and encourage the staff and the children at the home. They deeply love children and fit well into this ministry setting.

Ryan and Molly are currently in a difficult position lacking adequate financial support to cover all of their monthly expenses. They live modestly but simply do not have the support they need for their family of six. The Nielsen's earnestly desire to continue to serve with the ministry of Living Hope International but need a more solid financial base. I highly recommend them to you for your consideration in becoming a part of there support team.

Thank you for your prayerful consideration,

*Kim Sollie*
