To Whom It May Concern:

Please accept this letter as a letter of recommendation for Ryan and Molly Nielsen, currently on staff with Esperanza Viva in Puebla, Mexico.

Ryan and Molly have been Woodland Hills Church supported missionaries since 2003. Although we support them as missionaries, we are not able to be their total support, nor do we recommend that one person or church supports them completely. However, we ask that you would prayerfully consider joining us as part of their financial and prayer support team. They have clearly and concisely communicated their passion for working with disadvantaged children in Spanish speaking communities. Recently, I visited with them in their home in Puebla and feel that their roles within Esperanza Viva are a great fit for them.

It was a pleasure to see that they are really fulfilling the ministry that God has called them to and they are truly at home in Puebla, Mexico!

If you have any questions regarding the Niensens, please contact us.

Sincerely,
